It felt rather more stuffed than I would've thought.
So, how's your impression of turning into a girl?
To think— —that Yuu-kun would end up as one of them...
SFX: TATTERS
It felt like my body was crumbling away in tatters from the inside?
I guess you'd think it'd be so normally?
But actually it was, how should I say?
But it really sucked, ya know
You'd think so...
So you didn't just wake up one morning as a girl?
Sluuuurp
The doctor told me this, so I don't really get it myself
No more dreams and shit
I already woke up from the pain, but then I blacked out again. By the time I snapped out of it, my body was already covered with slaps of flesh all over.
The disease broke out while I was asleep though...
Seems like your cells keep regenerating at full speed repeatedly to forcefully remould your body over one night.
HAHAHA

A VARIATION OF "HOPES AND DREAMS" IT SEEMS

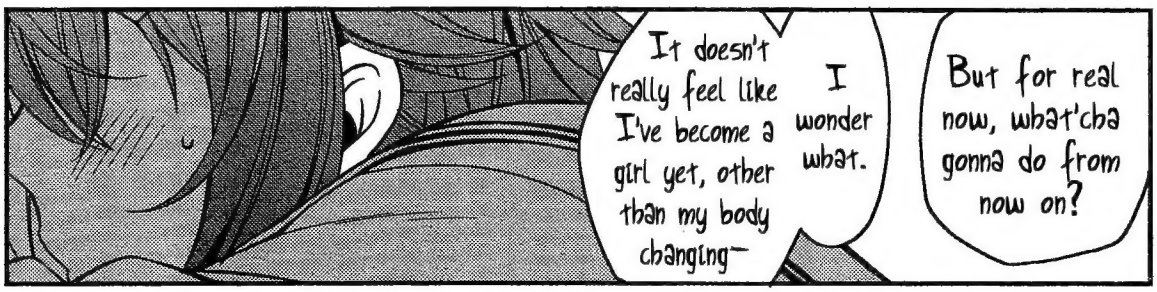
What's wrong?



But for real now, what'cha gonna do from now on?
I wonder what.
It doesn't really feel like I've become a girl yet, other than my body changing—

—maybe I'd rather continue my life pretending to be a guy.
You seriously saying that?
Well, changing my lifestyle this late is a huge pain, no?
And with that, even if I'm a girl now, let's keep getting along, right bro?
True friends, right?

What do you mean with...
I'm begging you!
I don't really have any female friends, so there's no other girl I could ask!
Also, Shizuku-chan, you seem more knowledgeable about female stuff than the other girls!
It's true that Shizuku has more girl-power than us.
Glint
Going well

A full-fledged woman!

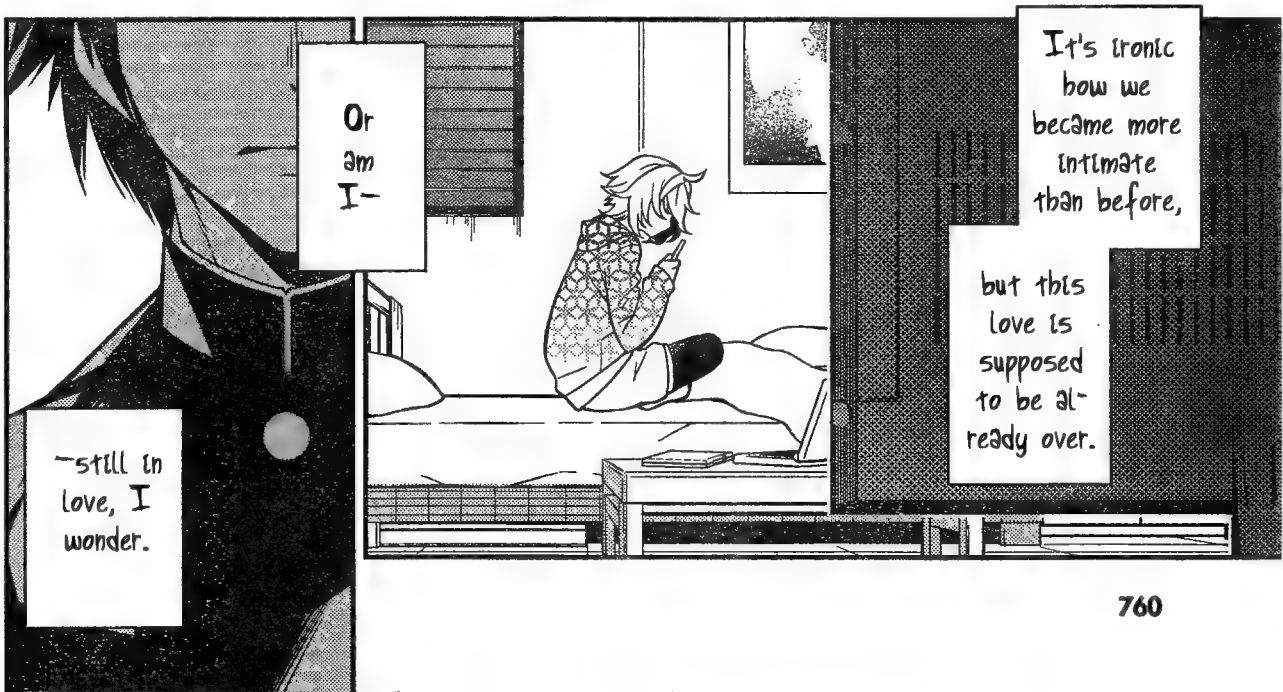
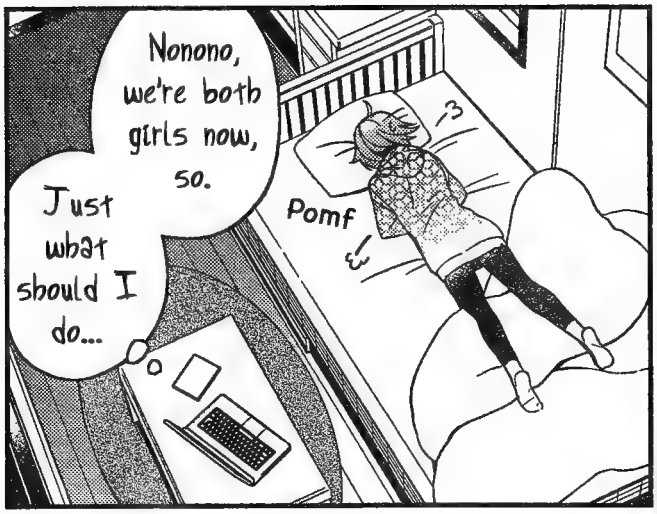
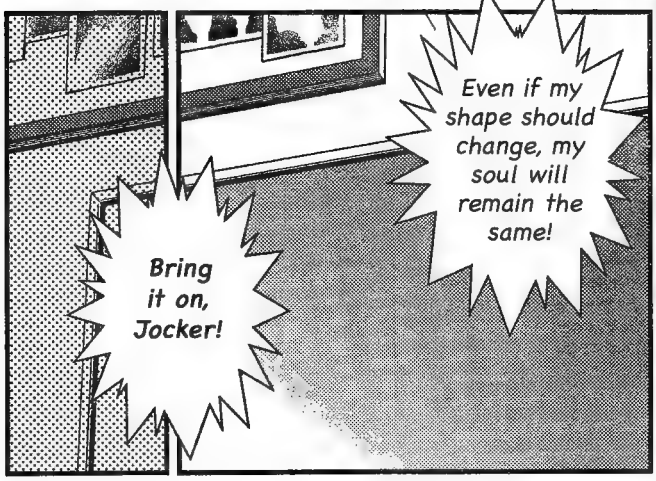
PHONE: ACT MORE FEMININE



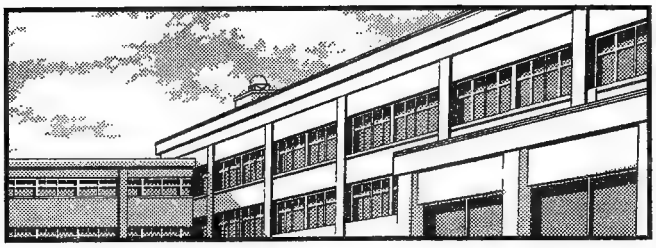
Or am I-
-still in love, I wonder.
It's ironic how we became more intimate than before,
but this love is supposed to be already over.



Nonono, we're both girls now, so.
Just what should I do...
Pomf



Even if my shape should change, my soul will remain the same!
Bring it on, Jocker!



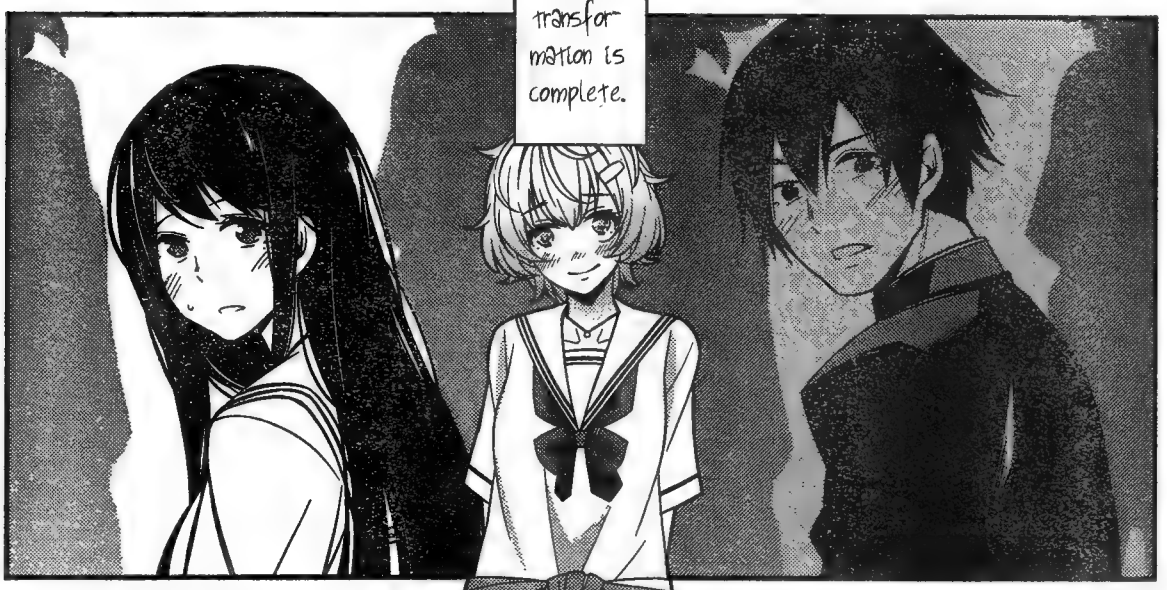
But still Nekoya-kun, you're really like a girl now.

Even though he's a girl now.

Glint
Hahaha, sorry!
Please stop it with the -kun, since I'm a girl.
Geez
I see
I see
Maybe it's because of how men view feminine behaviour.
Behaviour and speech are already perfect.
And with that, this is...
If you look at her like this, you really wouldn't believe she's a former guy.
Shizuku?
It's nothing
Amamiya-chan in this week's gravure is too cute again, right?
Her boobs are big and she's got an erotic body.
Neat, huh
Me too
So am I
I'm getting turned on
They're being idiots again.
Perverts.
Eh!?
I know, Yuu, have a look at it too!
Oh shut up!

You like Amamiya-chan too, don't you,
so you should know how we're feeling?
Please cut it out.
Also,
You are the worst
Get ex-cit-ed
Ge-
-z
I do think she's cute, but...
I'm no longer feeling anything else.
There were still some male parts remaining right after the change,
but it's from the change in hormones I guess.
Aah, there it comes.
I'm no longer thinking of anything when I look at a girl.
Shit, really—

Yuu-kun, you've really turned into a girl now, no.



The transformation is complete.

And-
-I'm out of time.

You should be fine now,
"Yuu -chan."

Shizuku -chan!?

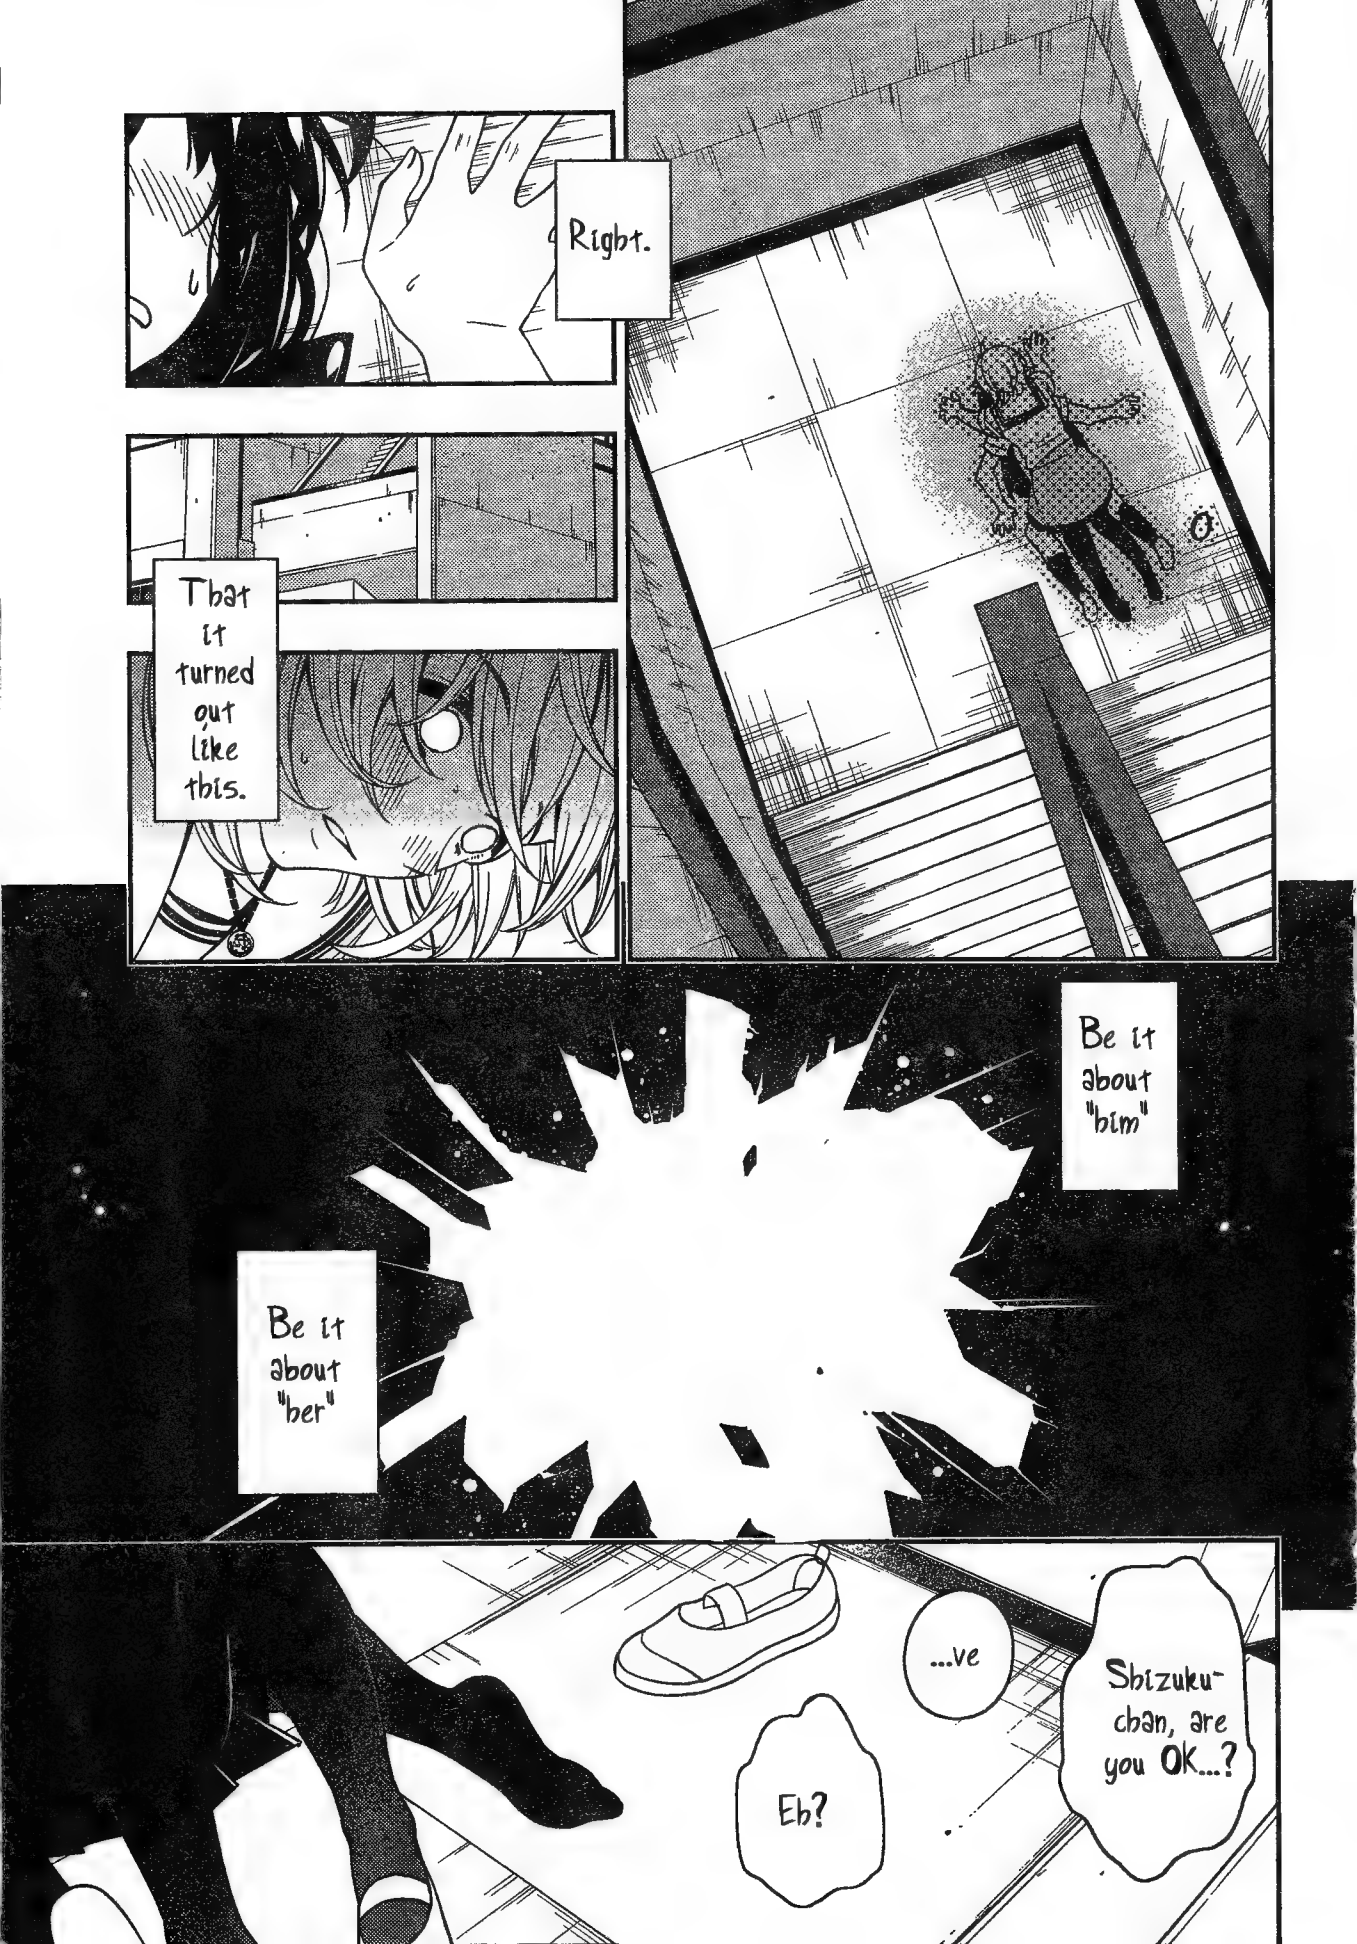
That I—
—fell in love with her.
S—
Sorry.
No, I was careless, too.

That's... A Kamen Rider DVD?
Ah!
Awa Awa
I'm done for...
No, that's—
A—, you wanted to watch this, that's why you were in such a hurry?
Wait, huh?
How nostalgic.
I used to watch this too back as a kid.
It's still running on Sundays, no. During the morning.
But I'm not a morning person, so I never get to watch it...
Did it become more awesome now than it used to back then?
You're not laugh—ing?
I think it's a nice hobby though?

That's...
Still, it's a surprise that you're into Tokusatsu, Shizuku-chan.
You seemed more feminine than the other girls, too.
Back during middle school, when it got out that I like Tokusatsu, they all made fun of me, saying that I was like a boy or like a child.
So I ended up hiding that I like it.
I ended up minding about fashion and such that would make me seem like a normal girl.
Are you perhaps thinking something like even though you're a girl?
Eh?
If you end up liking something isn't related to whether you're a boy or a girl.
It didn't break, I hope?
Uhm... How did it go again?...

Even if my shape should change—
Owowow...
—my soul will remain the same!
Wasn't it?

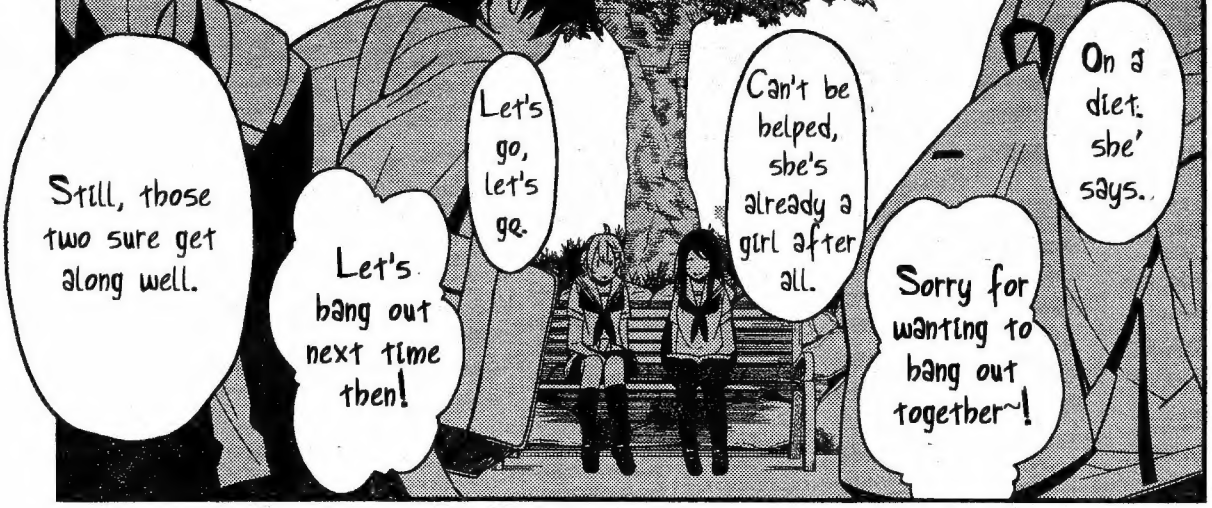


Right.
That it turned out like this.
Be it about "him"
Be it about "her"
Shizuku-chan, are you OK...?
...ve
Eh?

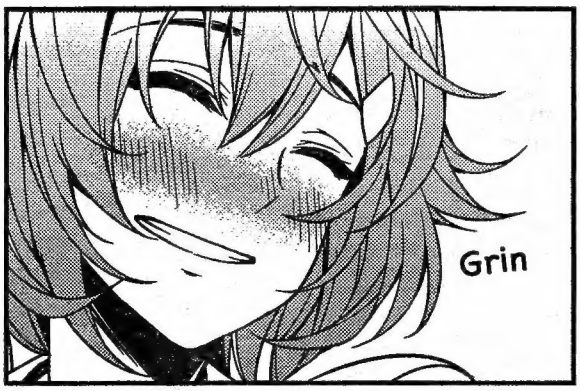
It doesn't matter whether you're boy or girl!
I love you as who you are!
I'm so done for...
But that's fine.

(*): TL note; Yuu has been using a femenine speech pattern for a few pages now, yet here she ostensibly uses the very masculine pronoum "Ore".

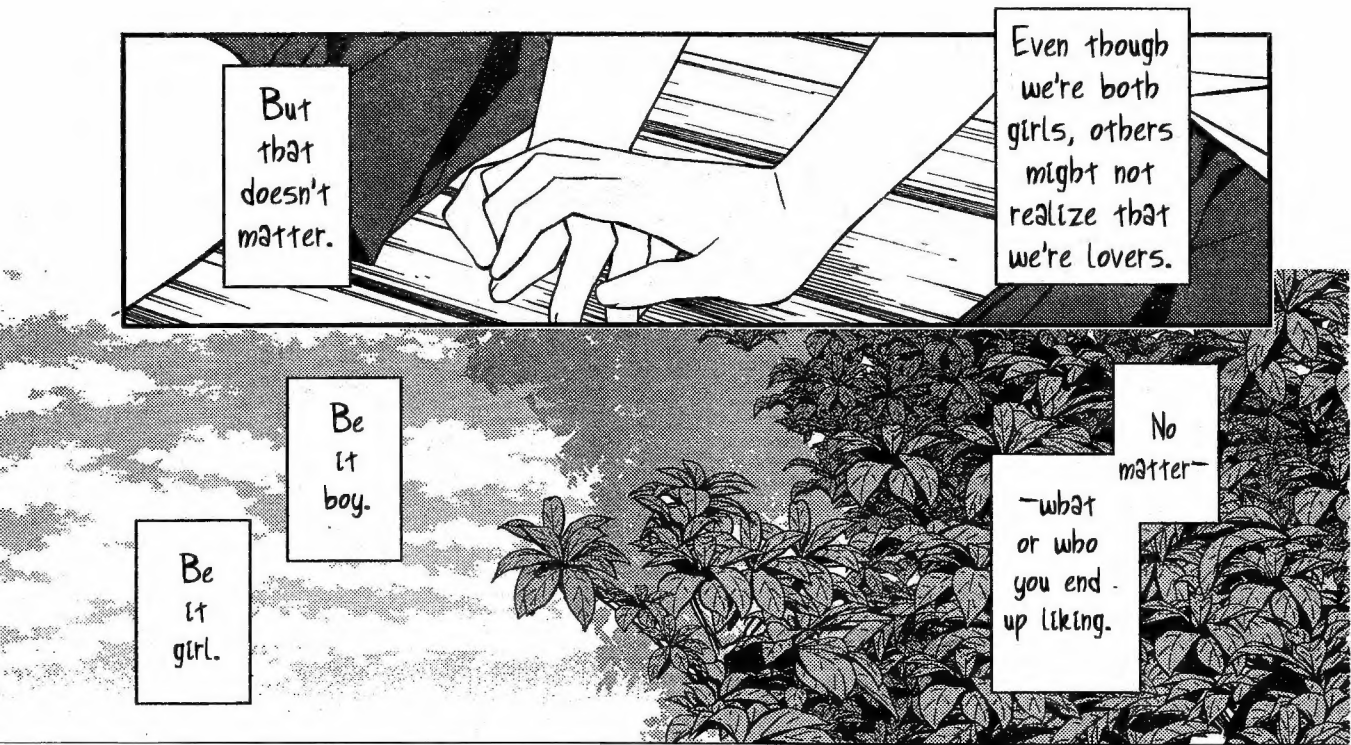
—My heart's racing like crazy.
It's something I realized later,
but it seems that Yuu-kun too was in love with me since before.
—but decided to give up on it once his gender changed, it seems.
So this somehow turned into a situation were we both started with one-sided love—
But that wasn't like herself, so it seems she changed her mind after my confession.
Even if it changed our minds, I get the feeling I ended up shouting out some embarrassing stuff.
Yuu!
...
Wanna go to Macdonalds or something later?
Sorry! I'm on a diet!



Still, those two sure get along well.
Let's bang out next time then!
Let's go, let's go.
Can't be helped, she's already a girl after all.
Sorry for wanting to bang out together~!
On a diet. she' says.



And thus, we ended up dating.



But that doesn't matter.
Even though we're both girls, others might not realize that we're lovers.
Be it boy.
Be it girl.
No matter—
—what or who you end up liking.

♪ Their way still has many difficulties in store!? We're awaiting your thoughts in the survey
